At UpClean Solutions, we understand that every guest's first impression matters. Our Short-Term Rental Cleaning Checklist outlines the tasks typically included in our Standard Short-Term Rental Cleaning and Premium Guest-Ready Short-Term Rental Cleaning services, so you know exactly what to expect with every property turnover.

Every short-term rental is unique, and so are the expectations of your guests. Whether you manage a single vacation rental or an entire portfolio of properties, this checklist provides a clear overview of the services included in each cleaning package. Review the tasks below to compare our Standard and Premium service options, understand what's included, and choose the solution that best fits your property's needs, hosting style, and budget.

For hosts who want to deliver exceptional guest experience, our Premium Guest-Ready Short-Term Rental Cleaning includes additional features such as bathroom and kitchen supply restocking, a Timekeeping System with QR Code and GPS Verification, optional before-and-after photo documentation, and priority same-day service when available.
